University at Buffalo - SUNY

Research Interests

My research interests include finding and understanding the learning opportunities presented by the intersection of the Learning Sciences and Emerging Technology, especially Assessment *For* Learning. This includes research on Open Education Resources, Digital Badges, and Makerspaces - all to help guide education improvement and reform.

Education

PhD, Learning Science and Policy, University of Pittsburgh, 2013
MT, Secondary Social Studies Education, University of Virginia, 2004
BA, Politics, Minor in Business and Managerial Economics, Brandeis University, 1998

Grants

Principal Investigator, NSF Broadening Participation in Computing, \$293,110, Funded Oct 2021 - Sep 2024.
Principal Investigator, IMLS Grant, \$346,043, Funded Oct 2018 - March 2023.
Principal Investigator, NSF Convergence Accelerator Grant, \$417,026, Funded Sep 2019 - Sep 2021.
Principal Investigator, SUNY OER Grant, \$129,745, Funded Aug 2018 - Jun 2019.
Principal Investigator, SUNY OER Grant, \$20,255, Funded Aug 2017 - Jun 2018.
Principal Investigator, SUNY IITG Grant, \$11,400, Funded Aug 2016 - Jun 2017.
Co-Principal Investigator, SUNY IITG Grant, \$60,000, Funded May 2015 - Jun 2016.
Principal Investigator, Covenant Foundation, \$21,638, Funded Jan 2015 - Oct 2015.
Principal Investigator, Covenant Foundation, \$9,888, Funded May 2013 - Dec 2013.
Principal Investigator, Covenant Foundation, \$5,288, Funded May 2012 - Jul 2012.
Co-Principal Investigator, MacArthur Foundation - DML Competition, \$175,000, Funded Apr 2012 - Mar 2013.

Awards/Honors

University at Buffalo' Micro-Credential Faculty Fellow, 2022-2024
National Science Foundation Data Consortium Fellow, 2016
Edmund W. Gordon MacArthur Foundation/ETS Fellowship, 2013-2016
HASTAC Media Scholar, 2012-2013

Professional Experience

Consultant, Cable in the Classroom 2011-2013

Provided expertise on development of online roller-coaster game to teach physics. Helped align game design process with latest pedagogical research on both games and science learning.

Johns Hopkins University, Project Manager/Adjunct Faculty 2005-2008

Coordinated and managed Department of Education's Stars Schools Grant. Create professional development resources for implementing game and virtual reality technology in the classroom.

Conduct original research for publication regarding technology and games. Coordinate an Emerging Technologies Symposium.

The Rashi School, Technology Coordinator/Teacher 2004-2005

Supported all technology for a K-8 Independent School. Educational responsibilities included teaching several electives, collaborating with teachers on curriculum and lesson design, and promoting instructional strategies using various technologies.

Tumbleweed Communications, Technical Trainer 2000-2001

Created customized training program and material for email security software. Wrote technical documentation.

Netegrity, Technical Specialist 1999-2000

Executed web content management software in customer environments. Provided support and training for software once implemented. Supervised the education of newly hired employees. Worked with customers to design and build the infrastructures for web presences.

Chase Manhattan Bank, Integration Coordinator 1998-1999

Coordinated and supervised the implementation of applications into a multi-tiered Java based environment. Identified and developed new tools and procedures to improve the implementation process. Facilitated the trouble-shooting process between production support and developers.
